JON RUNYAN, FORMER PHILADELPHIA EAGLE OFFENSIVE LINEMAN AND CANDIDATE FOR CONGRESS, WILL BE CELEBRITY BARTENDER AT MOUNT HOLLY'S HIGH STREET GRILL

Mount Holly, NJ ~ March 3rd, 2010. For over 5 years, the *High Street Grill in Mount Holly* has been holding a *Long beard Contest and Charitable Fund Raiser* event that runs from the beginning of February through St. Patrick's Day. In 2010, the restaurant has chosen to work with *The American Diabetes Association*, and the goal of \$5,000 for this event is well within reach.

Helping to make this possible, will be *Jon Runyan, former Philadelphia Eagle Offensive Lineman* and current candidate for New Jersey's 3rd District in Congress. Though Jon's schedule is quite busy, he is taking the time to come out to *The High Street Grill* to help a great cause and will be behind the bar from 7 pm to 9 pm on Wednesday, March 10th. *The Grill is located at 64 High Street, in downtown Historic Mount Holly.*

Jon Runyan hails from Flint, Michigan, where he also attended college, and was drafted into the NFL in 1996 by the Houston Oilers. He played with our local boys in Philadelphia from 2000 to 2008 and later with the San Diego Chargers. His new role as a candidate for Congress comes with a strong belief in bringing our country back in a positive direction.

Join us for this opportunity to meet Jon, and to open your hearts and wallets to help Stop Diabetes. The ADA focuses on education and research that will help the population become more aware of their personal options for maintaining better health and preventing this disease. Many people are predisposed to the disease by way of genetics; however, such factors as diet, exercise and weight management are important in preventing the onset of Type 2 diabetes. *The High Street Grill* is proud to have partnered with the ADA for this fundraiser that will contribute to the Cure, Care and Commitment to *Stop Diabetes in the Name of Love* (the name we have given this year's event which is dedicated to all of those we love who suffer from, live with or have died from Diabetic related illness, as well as those who provide care for them.)

Please join us in a night of live music, with a fun atmosphere, great food and Craft Beers on tap, and make a difference in the lives of diabetics in our area. For more information call us at 609-265-9199. If you are planning on dining with us, a reservation is highly recommended.
